- > You are looking for new perspectives to enable growth and impactful action?
- > You want increased clarity about your potential?

Winsborough can help you maximise your development potential

Winsborough have more than 20 years' experience in the selection, assessment and development of leaders in New Zealand and beyond.

Winsborough have the experience, expertise and tools to help you understand what makes leaders successful and support them in boosting their development. Winsborough knows that leaders grow through deep insight into their leadership style and behaviour. The Winsborough team are experts in creating a safe environment to explore strengths and challenges to help leaders deliver impactful results.

“...this solution gives leaders a clear understanding of their performance capabilities, challenges, and key values drivers. Provided with strategic self-awareness you can have new confidence in your day-to-day strengths, watch out for challenges that could get in the way of your success, and gain insight into the culture you may be creating for your team based on individual personal drivers.”

Winsborough recommends the Executive Discover Solution for senior leaders who want rich personality assessment with development focused feedback and support.

This solution includes:

- > Personality assessments debriefed in a one hour development conversation.
- > A tailored consultant-written development report based on the leader's profile.
