

Individual Discover Solution

Are you finding that:

- > It's challenging to refine where to invest your development effort?
- > You want feedback and support that fits you and your context?
- > You want tailored support translating your insight into action?

Winsborough can help you maximise your development potential.

Winsborough have more than 20 years' experience in the selection, assessment and development of experts and leaders in New Zealand and beyond.

Winsborough have the experience, expertise and tools to help you understand what makes people successful at work and support them in boosting their development. Winsborough knows that deep insight into a person's style and behaviour can lead to real growth. The Winsborough team are skilled at creating a safe environment to explore strengths and challenges to help experts deliver impactful results.

Used as a feedback tool for development, the easy-to-understand reporting and meaningful development discussion gives specialists the self-awareness needed to perform effectively.

If you are a specialist who is looking for a perspective on your reputation, or a snapshot of your current performance, then we recommend the Individual Discover Solution. It provides you with clear developmentally focused reporting, feedback, and support.

This solution includes:

- > Personality assessments, debriefed in a one-hour development conversation
- > One integrated development report based on the expert's profile.
